Regalia Supplies

No matter how large or small an order is Millennium Mark can assist you. We have recently supplied a full set of regalia to the Grand Lodge of Scotland and with the kind assistance of R.W. Grand Secretary, Bro. David Begg re-designed the regalia concept.

We would be happy to offer our customers a full written quotation, which can be tailored to their requirements and financial commitment.

We would be happy to offer expert advice on Constitutional issues regarding regalia and to ensure that regalia being supplied is of the highest level of quality and design. We are currently re-designing all our emblems of office to reflect our commitment to quality.
