Full Sets of Regalia

Millennium Mark would be happy to provide a quotation for any full sets of regalia. Our regalia products are not imported but manufactured in the United Kingdom with UK ribbon. We would rather put quality before price as it is important that customers receive value for money.

Millennium Mark

Celebrating 15 Years 1999 - 2014

Reflecting over the past fifteen years there are so many people we need to thank for the success of Millennium Mark. Without our valued customers and the support given over this period we would not have been as successful.

There are so many customers we would wish to thank but we would like the opportunity to acknowledge some of the people that have been instrumental in supporting our company and we are very grateful for their continued support.

Bro. Alexander Huskie

40th Anniversary - Lodge Polmont No.793

As well as celebrating fifteen years as a Founder, Director of Millennium Mark I have experienced the pleasure of also celebrating my own 40th anniversary in Freemasonry having joined Lodge Polmont No.793 in 1974.

It is with good fortune that my own anniversary coincided with the 700th anniversary year where King Robert The Bruce was victorious at the Battle of Bannockburn.

A special limited edition anniversary token was commissioned to celebrate the occasion of my 40th and the Battle of Bannockburn anniversary.

Bro. Grahame J. Smith

Grand Scribe - Supreme Grand RA Chapter Scotland

We have the good fortune of supplying the Grand Supreme Chapter with many items including the Grand Chapter regalia. When we were awarded this contract we re-designed all the Office Bearers Apron badges and regalia.

We have recently assisted Grand Scribe with new Red Cross, Lodge and Council regalia and jewels. Our commitment to invest in the future been welcomed by Bro. Grahame J. Smith as it is important to ensure traditional regalia does not disappear and we thank him for considering Millennium Mark for the manufacture this regalia.

Bro. Martin C. McGibbon

Grand Secretary - Grand Royal Order of Scotland

I have the privilege of being the Assistant Grand Secretary of the Provincial Grand Lodge of the Counties Palatine of Lancaster and Chester Royal Order of Scotland.

Bro. Martin C. McGibbon was instrumental in awarding Millennium Mark the approval to create and manufacture both the Bespoke circular ROS Carpet designed by both Bro. McGibbon & Lord Elgin as well as a Bespoke Royal Order ring.

We are very grateful that we were given the opportunity of manufacturing these products and thank Bro. McGibbon for this opportunity.

Bro. David Begg

Grand Secretary - Grand Lodge of Scotland

We are grateful for the support Grand Secretary has afforded Millennium Mark over the years and in 2007 we were awarded the contract to supply Grand Lodge with a full set of regalia.

Grand Secretary put in a lot of effort to ensure that all Scottish regalia being supplied was constitutionally correct and the correct shade of Thistle Green ribbon was manufactured and adopted by Grand Lodge as the official shade of thistle green ribbon to be used for Grand, District & Provincial Grand Lodges.

We continue to supply the Grand Lodge shop with products and thank Bro. Begg for his valued business.

Bro. Alexander Galbraith

Grand Sec. General - Supreme Council for Scotland

Our initial business arrangement with the Supreme Council of the A&ASR in Scotland was agreed in 2002 when Bro. Alex Galbraith superseded Bro. William Fleming as Secretary General.

Bro. Galbraith was instrumental in ensuring that a constitutional standard of regalia was maintained and to ensure the quality of the regalia was to the highest standard of manufacture.

We have the privilege of supplying Supreme Council for Members regalia, cufflinks, lapel badges for which we thank Bro. Alex Galbraith for being given the opportunity of this business.

Bro. D. Barry Lyons

Grand Secretary - Grand Lodge of Ireland

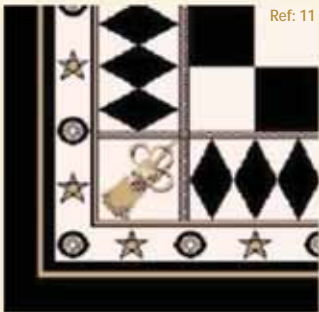

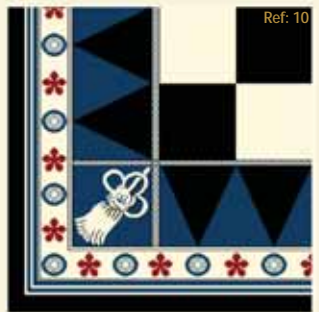

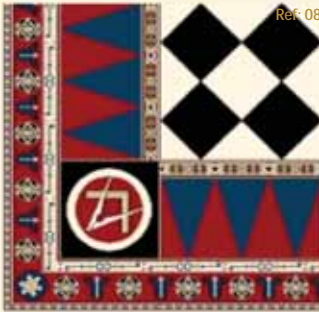

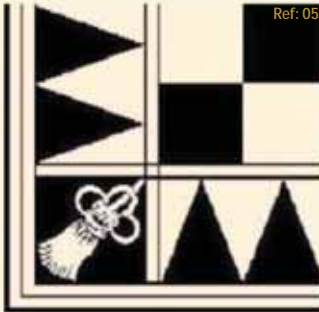

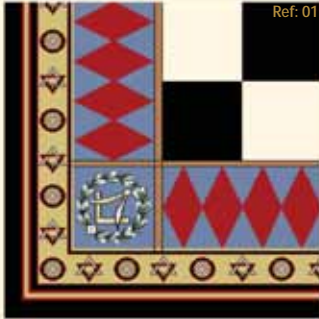

I would like firstly to congratulate R.W. Bro. Lyons in respect of his recent appointment as Representative of the Grand Lodge of Scotland for the Grand Lodge of Ireland.

We have been in dialogue with the Grand Lodge of Ireland pre-2007 in re-introducing the correct shade of St. Patrick's Blue for the Irish Constitution regalia. In respect of our efforts Bro. Michael Ward and Bro. Lyons awarded the contract to produce 50 year jewels for both Irish Craft and Chapter.

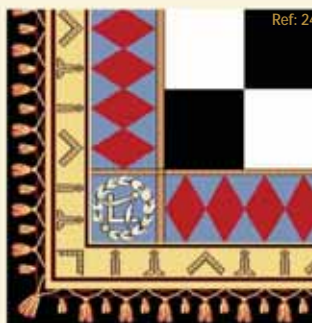

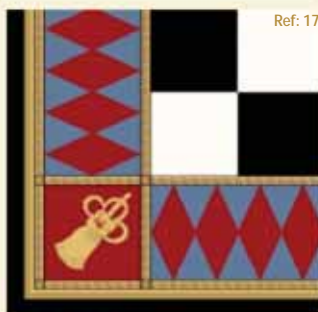

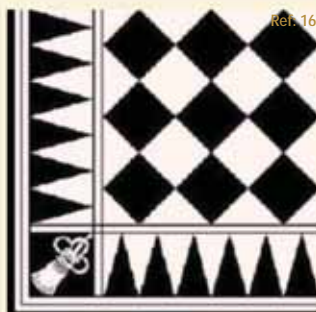

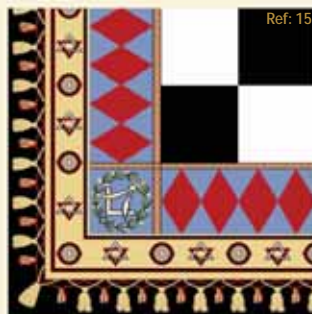

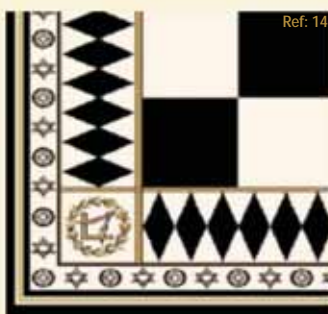

We are grateful to Bro. Ward & Bro. Lyons for the opportunity to provide these prestigious jewels.
